W. I. MEETING

The regular monthly meeting of the W. I. was held at the home of Mrs. Webster, with Mrs. Lamb presiding. After singing "O Canada" and giving the flag salute, Mrs. Lamb read the minutes of the preceding meeting and a report on the blanket which was raffled, the proceeds of which will be used for war purposes. Acknowledgment of receipt of two ditty bags was received. A donation of \$20.00 was voted to be given to the Canadian Legion to help with Xmas boxes to be sent to the boys in the services.

At our next meeting to be held on November 11th at the home of Mrs. Fisher, each member is asked to bring 25c. toward a fund for seeds for Britain. This motion was made by Mrs. McMullin and seconded by Mrs. Kitchen.

Mrs. Lewis Bradley gave a most interesting paper on "Home Recreation," stressing the essentials of home entertainment, and leaving with our families lovely memories of home life.

Mrs. Stevens gave a delightful reading "Johnny reads the Newspaper." Mrs. Kirkham read an article from the Alta. W. I. "Report of the War Work Convention." This gave us an up-to-date report of all war work handed in by W. I. members in this province. All members are requested to help quilt for the Red Cross on Wednesday. The meeting closed with singing "God Save the King," after which the hostesses, Mrs. Webster and Miss Eveson served lunch.

Mutt Hyde of Lethbridge was a Raymond visitor Wednesday this week.

Bishop Jos. L. Wirthlin of the Presiding Bishopric was a Raymond visitor last week.

Wednesday's Herald carried the heading "Blackest 24 hours of war for Nazis," and below it stories of Nazi retreats in all battle fronts.

Christmas parcels to Prisoners of War in Europe should be sent during October. The Association hopes to raise sufficient funds to send an individual parcel to each Canadian Prisoner and plans are already being made regarding the articles that will be sent. Depending on existing regulations and the articles available in large quantities from the manufacturers, we will endeavour to make the best selection possible and the contents of the parcels will be announced in the next issue of the News Sheet.

To provide an individual parcel to every prisoner will cost approximately \$5,000. Any relative, or friend of our prisoners or any organization wishing to make a contribution towards the parcels may send their cheques to National Headquarters, 170A Sun Life Building, Montreal or Mrs. J. F. Beare, 2107, 17th St. W. Calgary marked Christmas Parcel Fund. We will be very grateful for donations of any amount.

It is hardly necessary to remind our readers that the loneliness experienced by a prisoner of war is intensified at Christmas time with all its memories of family life. Anything we can do to mitigate his homesickness even in such small degrees as we are able, should surely not be neglected. A parcel at Christmas, not a very great effort on our part, may bring some comfort and cheer to our men who are showing such a magnificent and indomitable spirit in their captive exile.

1,500 Americans, Canadians and other nationals of the Allied nations marched off the Japanese liner Ten Maru and onto the exchange liner Cripsholm at Mormugao, Portuguese India, Tuesday in an exchange of war prisoners. It was a happy gang indeed as they stepped off the Japanese ship into the sunlight as free men again.

Victory Loan Rally Pleases Large Crowd

Tuesday night's Victory Rally, officially giving the opening push to the Loan Drive, held in the Opera House, was a real pep programme and everyone present in the packed audience, enjoyed every minute of the hour and a half program.

E. R. McFarland, Public Relations officer of the district, acted as Master of ceremonies and was at his best as usual in furnishing plenty of laughs for the audience. Airman Clifford, who had been on fourteen battlefronts and had won some of the highest decorations obtainable, interested the crowd very much with his stories of experiences in various fields. He had been through the North African Campaign, both in the

days of Britain's defeat there, and also in the days of her success. He paid high tribute to the bravery and heroism of the men in all arms of the service.

The Macleod Airforce Band was superb in their numbers. The coloring and expression of their numbers and the fine selection of numbers were a real treat. The specialty number and the bass vocalist, and everyone else contributing to the program, are all to be thanked for their contribution to a very successful program to start off the Loan Drive.

Credit is due the local committee, and especially Lee Brewerton, Public Relations officer of the work and effort put into making the evening the success that it was.

Repairs At Public School

Alkali, eating away the cement in the basement of the Public School, forced the Board to dismiss the grades last week, just after school had started, and it will require another week or ten days before repairs can be completed enough for school to be resumed.

Crumbling of one of the partition walls just above the basement floor, started the floors above to sag and the plaster to break off the walls in places. It was considered altogether unsafe to try and hold school with the building in such condition. Architect Meech came over from Lethbridge and advised the Board to tear out the large chimneys, except the flues, to reduce the weight that much at least, and with this done, T. K. Roberts and a crew are working now to get the walls raised to the proper level and supported and tied there for safety for this year's school.

The floors under the walls are being cut off so that a 12 inch concrete base can be laid on each side of the walls, then 6x6 inch timbers will be stood on this concrete, a plate put through the wall, and bolts through the concrete to hold the timbers in position. This will make the walls perfectly safe until more permanent repairs can be made. It will be quite a job, but T. K. Roberts is in hopes of having part of the class rooms ready for use something next week.

It is difficult to get help, and Tommy took his crew off other jobs for this because of the nature of this job, and he asked

Lions And Rotarians Meet Together

A combined meeting of the Lions Club and the Rotarians was held in the Sugar Bowl on Monday October 18.

Pres. Golden Snow of the Lions Club was in the Chair.

The meeting was opened by singing "Oh Canada" and prayer was offered by Lion O. H. Snow.

Special guests were His Worship Mayor D. H. Elton and Fred Cain of Lethbridge.

Community singing was enjoyed by all present under the leadership of Lion Tamor M. T. King, with Roi Stone at the piano.

Lion Rulon Dahl welcomed both clubs after which the Pres. of the Rotary Club Dr. Madill asked the meeting to observe one Minute silence in Honor of the boys that had fallen in War 1 and the present conflict.

R. Gibb then sang "Sing Me to Sleep" accompanied on the piano by Roi Stone.

Mayor Elton after relating some of his humorous experiences during his recent visit to the far south addressed the assembly, his subject being "Music." This talk was greatly appreciated by the members.

Mr. Gibb sang another solo which was unaccompanied.

Pres. Ted Wagstaff of the Vets was present and asked for financial support to send Xmas Parcels to the Boys and Girls from Raymond who are in the Service.

Dr. Madill also asked all to support the Victory Loan.

The meeting closed by singing the National Anthem.

us to ask those waiting for him, to be patient until this high priority job could be done, when he will be back on their work again. The nature of the work makes it slow and laborious, and unpleasant too, but all speed possible is being shown in getting it done.

TELEGRAM ON WAR LOAN

Recorder, Raymond, Alta.

Following is latest on Victory loan program before you go to press. Canadas fifth Victory loan got its momentum when Wednesday's subscription totaled \$75,280,350 bringing the cumulative total for the first three days to \$201,967,500 this is more than \$25,000,000 greater than in the same period of days daily subscription sales the last loan over the three days averaged \$67,322,500 a little higher than the \$66,636,000 required each day of the campaign to attain the \$12,000,000,000 objective. Publishing Section, War Finance Committee.

Elders J. W. Evans, Ivan White and Golden Snow were speakers at the Raymond 1st Ward Sacrament meeting Sunday evening.

Mr. and Mrs. W. H. Zobell, have recently received a letter from their son Bob, who is in England now engaged in instructor work in the Spitfire training depot. Bob is fine and enjoying his work and asked to be remembered to his friends. He has had a wide experience in the R.C.A.F. and was in Malta during the hottest days of that island's experiences. Recently in London he met Bob Johnson and also Don Wells, soon after Don's experience when he was forced down and spent a few days in his raft on the ocean.

WEDDING BELLS

ACKROYD — JONES

Miss Ina, daughter of H. A. and the late Mrs. Jones, and Walter Ackroyd, son of Mrs. J. Ackroyd, of Hartley, were married in the Alberta Temple on Wednesday of this week, with Pres. E. J. Wood officiating. A large number of relatives and friends of both parties were present to witness the ceremony and to extend best wishes to the young couple for a future of joy and happiness.

The bride has been employed for the past two years or more in the Raymond Mercantile Co. store and the groom has spent the past year in the Alaska country working on Government project. Their plans for the immediate future are indefinite, but they will spend some time with friends and relatives throughout the district. With their many friends we extend to them our best wishes for a long and happy married life.

Ina was guest of honor last Friday evening at a shower sponsored by the Stake Primary Board, of which she has been a member for quite a long time. She received a lovely lot of gifts from her many friends.

NEWS NOTES

Bert Hall of the R.C.N. obtained a ten day extension to his leave and will be here until the end of next week.

Miss Mildred McBride, accountant at the Cheese Factory was away from work part of the week with an attack of the flu.

Victor Meech, who is assisting in supervising the repairs to the Public School spent Wednesday night in town returning to Lethbridge Thursday.

Elder Poll, a missionary companion of Bill Nalder and other Raymond Elders, entertained the Second Ward Mutual Tuesday evening with a splendid piano recital, featuring masterpieces of some of the world's greatest composers. Class work was abandoned, and the entire evening given over to Elder Poll for his recital, every minute of which was thoroughly enjoyed by the audience.

BUY A BOND

Raymond's Victory Bond sale is on, and from sales of the first few days, we will as usual, reach and pass our quota, which this year is \$140,000.00. In the course of the next two weeks everyone will be asked to buy a Victory bond. We hope every one will respond, and we hope those selling the Bonds will not have to use any super salesmanship to dispose of them.

Canadians everywhere should remember that as long as we keep them flying and fighting sons are in the service as the and-eating we are winning the war. If, for lack of support of these loans, production is slow

ed up; if arms and ammunition become scarce, if food supplies fall in quantity or are delayed in reaching destinations, some one will wonder why, and we may be to blame. We should remember that these people selling bonds are not in it for what they make out of it, they are in to render service, to give us the opportunity of helping our nation and helping ourselves. Buy all you can and buy gladly.

While we may not agree with all details of the carrying on of Governments at home and abroad, we must agree that the brains behind the battles are getting results. The picture was never rosier than is the case today. Victories are reported on all fronts, with enemy defenses crumbling. Let us not be too optimistic nor too complacent. The end is a long way off and between now and the end we shall see the bloodiest and hardest fighting of the entire war. There will be more heart-breaks for local people whose sons are in the service as the battlefronts spread, and more war. If, for lack of support of these loans, production is slow

into action. It is wishful thinking

ing to imagine that our Government is asking for something which is not vital and essential to the prosecution of the war. Every delay now in the forcing of the fighting is an assist to the enemy. It is much easier to keep a load rolling than it is to continue to stop and start it. It is so with our enemies. Now that we have them on the run, it is much easier to keep them running than to let them stop and catch their breath.

If we keep our dollars rolling for Victory Bonds and Savings

THURSDAY NIGHT'S REPORT

\$274,033,000

Yes, We'll Do It!

If thoughts of our peaceful Alberta countryside and the contrast of devastation in war torn faraway lands does not impress you:

If the freedom available to us arouses no emotion in your breast;

If you do not thrill to the mighty war effort of dauntless Britain, massive Russia, dynamic United States, fiery Australia, gallant New Zealand, South Africa, India and our own great Canada;

Well, then, buy a war bond for the sake of our own Alberta boys who are on the battle line!

They have gone from the far Peace River lands, from the mountains and rolling foothills, the park lands and short grass plains.

They've gone from Pouce Coupe and Bon Accord, Three Hills and Seven Persons, Veteran and Loyalist, Blackfoot and Peigan, Fort Saskatchewan and A. H. Baskin, Iron Springs & Grassy Lake, Milk River and Battle River, Silver Heights and Golden Meadow, Whiskey Gap and Rocky Mountain House, Hanna and Hilda, High River and High Prairie, Drumheller and Bassano, Red Deer and Elk Point, Cardston and Carmanagay, Stettler and Strathmore, Elnora and Roseland, Cochrane and Condo, Azure and Paradise Valley and Raymond.

They've gone from Orion and Hespera, Vermilion and Purple Springs, Claresholm and Hazel-dine, Innisfail and Innisfree, Empress & Throne, Smoky Lake and Lac La Biche, Rosebud and Little Gem, Viking and Valhalla, Banff and Brooks, Spirit River and Ghost River, Pincher Creek and Manyberries, Peace and Owlseye, Warspite and Makepeace, Westlock and Bowfort, Bentley and Big Valley, from Edmonton, Calgary, Lethbridge and Medicine Hat, we cannot name them all.

Thousands of farms, every hamlet, town and city have sent their young men. In the air, on the sea and on the land fronts these boys from our own Alberta are fighting bravely with the bravest. They are our boys—our farm boys, town boys, city boys.

Guess we'd better buy plenty of war bonds for the sake of our boys!

BOYS! READ THIS!

To all boys 14½ to 17½ yrs. of age. Answering some of your questions about Air Cadets.

If I am too young to enlist in the R.C.A.F., what can I do about it?

If you are 14½ years of age, and not yet 17½, you can join the Air Cadets of Canada and take spare-time training that will fit you for future service in the R.C.A.F. when you are old enough to enlist.

At what age may I join the R.C.A.F.?

When you are 17 years of age.

How do I get into the Air Cadets?

See your High School Principal, Mr. Jacobs, or any members of the local Air Cadet committee.

How many Air Cadet squadrons are there?

There are over 300 Air Cadet squadrons in Canada in which any physically fit boy of good character may enroll.

What kind of training do I receive in the Air Cadets?

You get much of the same training as that given at R.C.A.F. Initial Training Schools. Later, if you decide to enlist in the R.C.A.F., this training will enable you to commence actual flying sooner than some of your pals who were not Air Cadets.

Is there any obligation involved in joining the Air Cadets?

No. Membership is absolutely voluntary and your parent's written permission is required. Air Cadets are enrolled, not enlisted, and there is no obligation to join any service. The training you receive offers not only the best way to get ready for a future in the R.C.A.F., but also the finest kind of aviation training for after the war.

SCOUTING HELPS A SOLDIER

A former Canadian Scout Troop Leader, now on active service in Africa wrote to his former Scoutmaster in Canada: "Thanks to Scouting the transformation over from civil life to army life was made without the usual discomfort most chaps experience. I have been in the army three years now and I still find my Scouting experience helps me out on many occasions."

SOLDIERS TO THE RESCUE

When Boy Scouts of Melfort, Sask., had difficulty in building a swimming hole at their camp site, soldiers from nearby Army Basic Training Centre came to the rescue and built the dam for them. Lt. Col. F. Tompkins, commandant of the centre considered it good training for the soldiers, and the Boy Scouts heartily agreed.

Theodore Ehlert and son were busy Thursday stuccoing the home of Mrs. Lyle Pieprass.

MILK CONSUMPTION

The domestic consumption of milk in Canada in the form of fluid milk, butter, cheese, ice cream, and concentrated milk products, totalled 5,072 million pounds during the first six months of 1943, or a decrease of 148 million pounds from the corresponding six months of 1942. This decrease, states the Current Review of Agricultural Conditions in Canada, was almost entirely due to the smaller butter requirements under rationing, as fluid milk consumption increased by 8 p.c., concentrated products by 6 p.c. and ice cream 5 p.c. over 1942.

FARMERS AND FARM WORKERS

If Your Farm Work has Slackened for the Winter, You Are Needed Elsewhere in Essential Employment

Highly essential work—very important in Canada's war effort and for the welfare of the Nation—is threatened with shortages of workers. One of the few sources of men available for other high priority jobs is those men on the farm who will not be needed at home during the Fall and Winter. Heavy needs must be met in many lines—producing vitally essential forest products; in base metal and coal mining, in food processing, in railway track maintenance. If you live on a farm and are not needed at home during the Fall and Winter, you are urged to answer this national appeal.

Farmers engaged in essential work during the off season will be allowed to return home when needed. Also, those on postponement under Mobilization Regulations will continue on postponement while in approved essential work during the slack season on the farm.

Please answer this vital call NOW.

SPEED THE VICTORY... LEND TO THE LIMIT!

Action is the word today! The boys overseas are giving us plenty of it as they smash to attack on land, sea and air. Let's give them action in return; action they'll appreciate; autographs on 5th Victory Loan applications. That'll tell 'em where we stand, how anxious we are to speed the Victory and bring them home again. They're surging forward

on every front. Spur them on with the added momentum of overwhelming power. Speed the collapse of the Axis beneath an irresistible weight of tanks, guns, ships and planes bought with our money. That's what our fighters want. That's what your signature on a Victory Bond application means.
